CAREER OBJECTIVE

To work in an opportunity to maximise my potential and contribute to the organisation's growth. I have excellent communication skills, enabling me to communicate with a wide range of people effectively. I am seeking a full-time position in an organization where I can practice my knowledge and experience, ultimately benefiting the operations of the organisation I work for.

EMPLOYMENT HISTORY

Global Islam Bank PLC Bangladesh

Designation: AO – IT Division (Digital Banking Team)

Duties/Responsibilities:

1. Manage users and provide branch-level support for multiple banking systems (WASA, Titas, A-Challan, Internet Banking).
2. Support and maintain software, servers, and admin panels for digital banking, eKYC, SMS, and agent banking systems.
3. Handle issue tracking, help desk operations, and resolve software-related problems.
4. Collaborate with development teams for testing, deployment, and feature development across various platforms.
5. Oversee biller management and system operations for OTC and NID verification portals.
6. Ensure smooth functioning of bank websites, portals, and internal applications.

Talentbard (Part Time)

Designation: Frontend Engineer.

Duties/Responsibilities:

1. Build and maintain responsive web applications using React, Next.js, and Tailwind CSS.
2. Collaborate with designers to create seamless, user-friendly interfaces.
3. Integrate frontend with backend APIs for dynamic functionality.
4. Optimize performance, ensure cross-browser compatibility, and maintain accessibility.
5. Debug and resolve frontend issues efficiently.
6. Participate in code reviews, testing, and deployment processes.
